### MATRIMONIAL.

A brilliant wedding of Wednesday evening was that of Miss Matilda Alexander and Mr. Buckner Woodford, Jr., which was solemnized at the Presbyterian church, Rev. Francis J. Cheek, of Louisville, the bride's former pastor, officiating with a very beautiful and impressive ceremony.

The church decorations, which were done by Cincinnati florists, were very elaborate and beautiful in the Easter colors, green and white. The choir loft and rostrum were banked with graceful ferns, palms and rubber plants, with here and there vases of tall Easter lilies and bunches of fragrant plum blossoms. This was lighted with white lights and catheedral candles, which made a becoming background for the wedding party.

Miss Frances Johnson played the wedding music which was a program of fitting selections, during the assembling of the guests. "I Love You Truly" was played at the approach of the bridal party which entered the church in the following manner: From the center aisle came Mr. James Buckner and Mr. Cherault Woodford, of Mt. Sterling, then Mr. Woodford Buckner and Dr. Ben Frank, of New York. Following were Mr. Clarence Thomas and Mr. Catesby Spears. From the right aisle came the bridegroom with his best man, his father, Mr. Buckner Woodford, Sr.

Simultaneously from the center aisle came the bride with her dame of honor, her sister, Mrs. Ulie J. Howard, of Covington. Meeting at the altar forming a semi-circle, where the ceremony was said.

The bride is petite with lovely auburn brown hair which waves naturally. Her gown was a beautiful Parisian creation of embroidered chiffon over soft crystal satin was made on the empire lines with panels of hand embroidery in graceful sprays of wheat. The bodice was fashioned low with bertha and yoke of exquisite point lace which was worn by the bride's mother when she was the beautiful Miss Belle Brent. The bride's veil, which was bordered with point lace, was fastened in the hair with sprays of orange blossoms and she carried a bouquet of gardenias and valley lilies.

Mrs. Howard, the dame of honor, is of the same type as the bride and the sisters' likeness is very striking. Mrs. Howard wore a magnificent imported lace robe embroidered in clusters of rosebuds made of satin, over white messaline with bodice of crystal lace made with Dutch neck. She carried a bouquet of Catherine Mermitt roses.

Mrs. Owen Davis was handsome in a lovely gown of black voile elaborately trimmed with jet. Mrs. Alexander, the bride's mother, was beautiful in a black satin gown veiled in net.

After the wedding a charming reception was given Mr. and Mrs. Woodford by the bride's mother, Mrs. Charlton Alexander at her lovely home on South Main street. The guests were received by Mr. and Mrs. Woodford, Mrs. Alexander, Mr. and Mrs. Owen Davis, Mr. and Mrs. Ulie Howard. The house with its exquisite furnishing was more beautiful in its decorations of gorgeous pink hydrangas, white spyras, pink and white carnations and Easter lilies. The hall was banked with plants, the stairway was garlanded with French asparagus while graceful bouquets of Easter lilies, tied with soft bows of white decorated the newel.

The drawing room was lavish in its decorations of hanging baskets and wall vases of pink hydrangas and pink and white carnations.

The bride's table was in the dining room and was beautiful in the wedding colors. The table was round and wore an exquisite lace cover. In the center of this was a huge gold basket of pink roses. Surrounding this were silver candlesticks with white candles, also silver baskets holding pink and white confections. The dining room was decorated in pink and white carnations.

The guests numbered about one hundred and fifty and were served at small tables in the drawing room, parlors and halls and on the piazza, which was enclosed in canvas and profusely decorated with palms, ferns and hanging baskets and wall vases filled with carnations in pink and white. It was lighted with electric lights with Japanese shades.

A delicious course supper was served by the St. Nicholas Hotel, of Cincinnati. During the reception hours Schmittie's orchestra played a program of delightful music.

After the reception Mr. and Mrs. Woodford left for an extended wedding journey through the west and upon their return they will go to housekeeping in the handsome home on Tenth and Main.

The presents were displayed in the third story and numbered several hundred. In the collection were exquisite pieces of silver, rock crystal, Dresden and Coalport china, Oriental rugs and brass. The gift of the bride's mother was a case of handsome silver of the Georgian pattern.

The gift of the groom's father was several dozen pieces of elegant flat silver.

The out-of-town guests for the wedding were: Hon. and Mrs. R. P. Ernst, Miss Sarah Ernst, Miss Emily Woodall, Mr. Frank Woodall, Mr. Perah Coke, Hon. and Mrs. Harvey Myers, Mr. and Mrs. Ulie J. Howard and Charlton Alexander Howard, of Covington; Mr. and Mrs. C. S. Brent and Miss Nichollette Belle Brent, of Lexington; Miss Ethel Thomas and Miss Clay Croxton, Mr. Walton Rousevill, of Winchester; Mrs. Gibson Taylor, of Tucson, Arizona; Hon. Rhodes Shackleford, Mr. Tutt Burnham, of Richmond; Mr. and Mrs. William Gay, Mr. Chensult Woodford, Mt. Sterling; Mrs. Harold Stillwell, of Hannibal, Mo.; Mr. and Mrs. Nelson Gay, Mr. and Mrs. Wm. Gay, and Mr. and Mrs. Carroll Hamilton, of Mt. Sterling.

## Wm. J. Bryan's Tour Through Kentucky.

Under the auspices of the State Executive Committee of the Kentucky Young Men's Christian Association, the Hon. Wm. J. Bryan will make a lecture trip through the state next week. Mr. Bryan has for many years been a loyal and interested member of the Young Men's Christian Association and has spoken upon many occasions and in all parts of the world in the interests of this institution. The purpose of the State Executive Committee in bringing Mr. Bryan to Kentucky is three fold in its nature.

First, that Mr. Bryan may give his personal testimony from wide experience as to the value of the Association movement in the development of the best citizenship; second, that the

people of many of the smaller cities of Kentucky may have the privilege of hearing the wonderful eloquence and profound addresses of this gifted American statesman; third to secure funds with which to establish and equip a large training camp for boys of Kentucky Associations.

The following is the itinerary to be followed by Mr. Bryan while he is in Kentucky.

Monday, April 24—9:00 a. m. Speaks to students of Western Kentucky State Normal School, Bowling Green; 3:00 p. m. Lectures, auspices Bowling Green Y. M. C. A.; 5:00 p. m. Reception and supper at Bowling Green Y. M. C. A.; 7:30 p. m. Lectures, auspices Bethel College Y. M. C. A. at Russellville.

Tuesday, April 25—11:00 a. m. Lays corner stone of new Y. M. C. A. building at Frankfort; 12:30, Luncheon at Y. M. C. A. Frankfort; 3:00 p. m. Lecture under auspices of Georgetown College Y. M. C. A., at Georgetown; 6:00 p. m. Business men's dinner at Lexington; 8:00 p. m. Lecture, auspices Lexington Y. M. C. A.

Wednesday, April 26—10:30 a. m. Lecture, auspices Berea College Y. M. C. A. at Berea; 2:30 p. m. Lectures, auspices Eastern Kentucky State Normal School Y. M. C. A. at Richmond; 8:00 p. m. Lectures, auspices Kentucky Wesleyan College Y. M. C. A. at Winchester.

Thursday, April 27—9:00 a. m. Speaks to students of State University at Lexington; 11:00 a. m. Lectures, auspices Woodford county Y. M. C. A. at Versailles; 3:00 p. m. Lecture at Opera House at Paris; 8:00 p. m. Lecture, auspices Y. M. C. A. at Frankfort.

Friday, April 28—1:30 p. m. Business men's luncheon at Henderson; 3:00 p. m. Lecture, auspices of Henderson Y. M. C. A.

By the above it will be seen that Mr. Bryan will speak eighteen times in eleven different cities in Kentucky during this trip. It will be a very strenuous time but Mr. Bryan is accustomed to such campaigns and is fully equal to the occasion. In most of the places Mr. Bryan is to speak under the auspices of the local Young Men's Christian Associations.

It can be safely said that Mr. Bryan will draw crowded houses in every place he visits as there is probably no man in America today who can attract by his eloquence and personality as

many people as can Mr. Bryan who is without exception the peer of American orators.

The people of this city are exceedingly fortunate in having the privilege of hearing Mr. Bryan at this time and there is no question but what his reception here will be exceedingly cordial. No man who can possibly arrange his affairs so as to attend Mr. Bryan's lecture will fail to do so.

## Parasols and Fans for Summer Girls.

"The girl who does not include at least two or three parasols and fans in her summer wardrobe is a very unusual girl these days. If she is the smart, up-to-date American young woman she should be, she knows that she can often depend on her parasols and fans for just the right finishing touch to a light summer costume. She, therefore, gives as much time and thought to their selection as she does to the other accessories in her summer outfit," says Edith Weidenfeld in Woman's Home Companion for May.

"Last year parasols and fans matched and were in the same bright tones as the sash of the gown or the big ribbon bow on the picture hat with which they were carried.

"This season the simple parasols in bright tones do not match the gowns with which they are carried, but are in a contrasting shade of color. If, however, the sunshade is an elaborate one, flower and lace trimmed, or if it is made of flowered silk in delicate pastel tones, it usually carries out the style and coloring of the gown worn with it.

"The fans most fashionable this summer are made of lace, black lace and white lace, gold lace and silver lace. They are not, as a general rule, made to match the parasols, though they do show some similarity either in the trimming or in the coloring."

## "Billy" Klair Cuts In.

The Hon. W. F. Klair, who for six consecutive terms has been the Representative in the Legislature from Lexington, and who is one of the best known and most active Democratic leaders of Central Kentucky, has authorized the formal announcement that he was a candidate for the Democratic nomination for Railroad Commissioner from the second railroad commissioner district, and states that he will at once begin an active campaign for the honor.

## Got No Evidence.

The Montgomery County Grand Jury, which has been investigating vote traffic in that county, adjourned without finding any indictments. In its report the jury stated that it had reasonable grounds to believe vote selling was going on in the county, but it could not get the evidence to indict. The investigation will have a whole-some effect, however, as many election workers are badly scared, and it is believed that little of it will be done in the coming election. The jury returned about 25 indictments for various offenses, including gambling.

## State Banks Asked to Report.

Secretary of State Bruner Monday issued a call on State banks, combined banks and trust companies and banking institutions for a report of their condition at the close of business April 12. The report must be made to the Secretary of State not later than April 25. There are now 481 banking institutions doing business in this state.

## BLACK HAWK CORN PLANTER No. 15 VARIABLE DROP! Light Draft, Simple Construction.

Our special new feature in this planter is that we not only get an accurate number of kernels in each hill, but we get the number of kernels in each hill which the fertility of the soil is able to bring to perfect maturity.

No field was ever known to contain exact uniformity in strength of soil. It is just as unreasonable to expect the same results from thin, weak soil, in comparison with deep, rich soil, as it is to expect a child to do a man's work. This is a reasonable proposition, particularly to the scientific corn grower.

More money is being spent and greater efforts along educational lines are being made to-day than ever before in the world's history to increase the yield of corn per acre. We contributed a very large effort to accomplish these results with our Black Hawk single kernel edge drop, and we now add to our combination the No. 15 Variable Drop, with which the drop can be changed to 2, 3 or 4 kernels in a hill without stopping the team; or can drill 7 1-2, 10 or 15 inches, 9, 12 or 17 1-2 inches, or 11, 14 or 22 inches apart, without stopping the team.

Hand Drop Attachment with each Planter, has Foot Drop also. Will plant last two rows and wind wire at same time. Come and let us show you the best planter made.

## VERIFY IT.

The Proof is in Paris, Almost at Your Door.

The public statement of a Paris citizen is in itself strong proof for Paris people, but confirmation strengthens the evidence.

Here is a Paris citizen who testified years ago that Doan's Kidney Pills relieved sick kidneys and now states the cure was permanent. Can any sufferer from kidney ills ask better proof? You can investigate. The case is right at home.

Mrs. J. T. Martin, Eleventh and Main streets, Paris, Ky., says: "Kidney trouble in my case was brought on by a fall I received two years ago. My back ached until I thought it would break and sharp twinges often shot through my kidneys as if someone were hitting me. I tried various remedies, but could not find relief until I procured Doan's Kidney Pills at Wilson's drug store. After using them one week I felt like a different woman and I was soon completely cured. I gave a statement for publication in 1903, telling of my experience and at this time I am glad to confirm all I then said in praise of Doan's Kidney Pills. I think more highly of them than ever."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### The Outdoor Nation.

### Titanic Tolstoi.

Everything in Tolstoi's character, an eminent Russian writer says, attained Titanic proportions. "As a drinker he absorbed fantastic quantities of liquor. As a gambler, he terrified his partners by the boldness of his play. As a soldier he advanced gayly to Bastion 4, the bastion of death, at Sevastopol, and there he made dying men laugh at his witty sayings. He surpassed every one by his prodigious activity in sport as well as literature."

### Barboursville Team Defeated.

Flushed with two victories from Blue Grass League clubs, the base ball aggregation from Barboursville College came into town yesterday for two exhibition games with the Bourbonites. Yesterday afternoon they met defeat by a score of 9 to 1. The game was featureless and errors figured prominently in the run-getting. Paris tried out two pitchers during the nine sessions. Schrauder worked five innings and Wood pitched the closing sessions. Both men showed up to a good advantage. The score:  
Paris.....0 2 0 0 3 0 4 0 x-9  
Barboursville.....0 0 0 0 0 0 1 0-1  
Batteries—Paris, Schrauder, Woods and Simon; Barboursville, Watkins and Africa. Hits—Paris, 6; Barboursville, 3. Errors—Paris, 6; Barboursville, 11.

### NOTES.

McKelvey, the hard hitting short stop secured by President Bacon from the Minneapolis club, is looked for on every train. McKelvey was recommended to President Bacon while the Minneapolis club was here and he cast a line for the shortfielder.

M. E. Timmon, of Lyons, Ind., arrived yesterday. Timmon is the pitcher recommended to President Bacon by Thos. Dugger.

"Billy" Kuhlman came in yesterday morning, looking the picture of health and ready for the game. He was at his old position at third in the game with Barboursville. Kuhlman is a favorite in Paris and the fans welcome him back.

Barboursville is here for a game this afternoon and tomorrow. Transylvania University and Paris will lock horns. Sunday afternoon Paris will meet the Lexington Professionals.

Pitcher Sheans, secured from the Minneapolis club, came in Monday night. Sheans is 6 feet 3 1/2 inches tall and a left hander. He was here with the Clymer squad about three weeks ago, and having participated in several exhibition games with the Millers is in the pink of condition.

Tuesday Manager McKernan released Catcher Frank Ettner and Pitcher Lander. Wednesday Outfielder Harbaugh drew the pink ticket.

Goodman and Harrell, of last year's aggregation, will arrive next week. McKernan is looking for Goodman on Monday while Harrell has written that he will arrive on April 27.

Walter Mayer, the much-heralded wind-pat artist McKernan secured in Cincinnati, arrived Wednesday morning. Mayer is regarded as the most promising catcher in the league and McKernan thinks he will set the pace for the other backstops. He has had a trial with the Reds and accompanied them on their trip South.

"Red" Kline, one of the terrors of the Blue Grass League last season has declined to join the Lexington club this year without an advance in salary. Kline pitched fine ball for Lexington last year. This season he will pitch Sunday games for an independent team in Connorsville, Indiana.

The Cincinnati Enquirer, the recognized sporting paper of the country, has written to the president of the Blue Grass base ball league offering to put the box score in this season. The box score is the same form used for the National, American, American Association and other big leagues. The sporting editor of the Enquirer, in writing to President Usery, says that the Blue Grass League has attained a high standard in the base ball world, entitling it to this recognition on the sporting page of this big daily. This will be good news for Paris fans as well as all others interested in the Blue Grass League.

### New Addition to Be Opened.

The rapid progress of the city and the growth in the residence sections of the town has increased the demand for suitable building property and as a result there has been a steady and continual demand for town lots. With the object of placing upon the market some of the most desirable lots to be had in the city, the property of Mrs. C. J. Barnes, in South Paris, better known as the old Bacon property, will be divided into town lots and disposed of at public sale on Thursday, May 11. The location of the property is the most desirable in the city; the elevation is ideal and the surroundings beautiful. It is within a short distance of the new railroad yards that have recently been constructed and will furnish suitable sites for the erection of residences for the convenience of railroad men. With the construction of the new double track of the L. & N. from this city to Covington and the making of Paris a terminal for the L. & E. railroad, the influx of employees of the road will increase the population and as investments town lots in this section will prove very profitable. This sale will be conducted by Harris & Speake, the leading real estate dealers, and the lots will be sold regardless of what is bid as this real estate must be turned into cash.

## Two Bourbon Cases Affirmed.

The Court of Appeals Tuesday affirmed the judgments in two cases that went up from Bourbon county which were of great interest locally. In the case of Grimes versus J. W. Prescott, as Executor of the estate of Mrs. Mary E. Prescott, who was Miss Mary Grimes before her marriage, it was alleged that Mrs. Prescott had failed to keep property located near Austerlitz, in this county, in repair, and the Grimes heirs filed suit against her executor to recover the expenses of repairing the property. The Bourbon Circuit Court rendered a judgment against the Executor in the sum of \$3,000. McMillan and Talbott represented the plaintiffs.

The case of Crodale against the Blue Grass Traction Company was also affirmed by that court, upholding a verdict in the sum of \$1,800 rendered in the Bourbon Circuit Court. Mr. George Crodale was thrown from his buggy while driving in the vicinity of the fair grounds when his horse became frightened by a car operated by the traction company. E. M. Dickson and Claude M. Thomas represented the plaintiff.

## Defines Dog Tax Penalty.

The Court of Appeals affirmed the Allen Court in the case of the Commonwealth against Will Payne and defines the penalties imposed by the dog tax law. The court says:

"The person who keeps or harbors a dog and does not list it, becomes liable to the ten-dollar penalty. He may escape the twenty-five dollar penalty if, after this, he pays the tax on it. The statute was not intended to punish the owner of a dog simply for failing to pay his taxes after he has given in his list as required by law."

**Clarke Has the Right Idea.**

Speaker Champ Clark has the right idea of things. In a recent caucus he said:

"There is only one way to economize, and that is for each man of us to begin economizing at home. To start the ball rolling I propose to do a little economizing on my own hook. I am going to cut down my office staff. Then I shall go further. I am going to save the people \$6,000 by doing away with the Speaker's automobile. If I cannot legally get rid of it, I will run it into the Potomac. The Republicans will say it is cheeseparing and peanut politics, but the people have some sense, and they will know that if we begin by giving up our own little grafts that we will then be morally fortified to go after the bigger ones. And I don't care what the Republicans say, I will co-operate with any man in this House who can find a place for sensible economy. I don't care whether it is a little economy or a big economy that is proposed, I will work with any member to bring it about if it is a sensible one."

**A Big Calf.**

In Montgomery county last fall, Charlie Duff bought of George E. Everett a calf to be taken when it was a year old. If the animal should weigh eleven hundred pounds at that time he was to pay sixteen cents per pound for it. If it failed to weigh that much he was to get it for nothing. It was a year old on the 11th of March and that day weighed 1,110 pounds, and cost Mr. Duff \$177.60.

**Smallest Island.**

The island on which the Eddystone lighthouse is situated is the smallest inhabited island in the world, it is said, although there may be some disputants to this claim in the Thousand Islands. It is only 30 feet in diameter at low water.

**Mt. Sterling Court.**

The Advocate reports the Mt. Sterling Court as follows:

"About 1,500 cattle on the market. The quality was fairly good. Trade was slow, buyers claiming prices were too high to do business. Some nice 1,300-pound steers sold at 6 cents and we noticed some light stuff selling by the head fully that high. One thousand and pound steers at 5 to 5 1/2 cents; yearlings at 5 to 5 1/2 cents; heifers at 5 cents; cows at 4 to 5 cents; bulls at 4 cents; old cows and rough oxen at 2 to 3 cents.

**Moodle Makes a Call.**

Andrew Moodle, a farmer residing near town, went to visit a neighbor, John Telford, the other night. As he opened the door leading into the house he fell, in the dark, through the open trap door of the cellar. At the moment Telford was ascending the cellar stairs, and Moodle dropped astride his neck. Both went to the bottom, Telford escaping unhurt, but Moodle sustaining a fracture of three ribs.—Smith Falls Dispatch in Toronto Mail.

**Now Face a Losing Proposition.**

Export cattlemen in the Blue Grass section of Kentucky are facing a money-losing proposition this year, and thousands of dollars will be dropped by these handlers who have heretofore made good money, says the Mt. Sterling Gazette. Last year the cattlemen went wild over the prices paid for exporters and as a result bought heavily of feeders weighing from 1,000 to 1,100 pounds and paid prices ranging from 5 1/4 to 6 cents per pound, figures without reason or justification. These cattle were fed heavily throughout the winter on \$3 per barrel corn an some even higher in price. Export cattle in this market last year brought from 6 to 7 1/2 cents per pound, and these prices, too, when the cattle cost when purchased only from 3 1/2 to 4 1/2 cents. Buyers have been in this county within the past three weeks looking at the cattle, some of which have offered for sale at 6 to 6 1/2 cents, but the buyers declined to buy and are waiting developments. Should the price of exporters stay at 6 to 6 1/2 cents during the next few months on cattle for June, July and August delivery the handlers will lose heavily.

Fine Winter Vegetable.  
We are only just now beginning to  
have skirrets in our market. This  
vegetable is an Asiatic one, being  
known to China and India. It has been  
a favorite in Europe and especially in  
Paris for 25 years, and has tuberous  
clustered roots, very white and sweet,  
and when served with butter they are  
delicious. It is a most desirable win-

Heart Is Best Guide.  
The man who offers sympathy to a  
neighbor and who comforts him in  
time of trouble can afford to run the  
risk of being accused of not minding  
his own business. An act of genu-  
ine kindness is readily distinguished  
from intermeddling. The heart is  
sometimes a better guide for action  
than the head.

**"Bad Jake" Noble in the Toils.**

Declaring that life behind the bars  
of a penitentiary is preferable to a  
life spent evading the law, "Bad  
Jake" Noble, notorious fugitive of  
Breathitt county, man-killer and the  
object of an extensive man hunt in  
Kentucky recently, surrendered Mon-  
day at Winslow, Washington county,  
Arkansas, to Deputy Sheriff S. H.  
Guinn.

Noble is wanted in Breathitt for  
killing County Jailor Wesley Turner,  
Jr., on election night last November.  
Noble met Turner and Pierce Crawford  
on the street and renewed an old  
quarrel with Turner. He borrowed  
a revolver from Crawford and shot  
Turner. He immediately fled. It was  
supposed that he had been killed by  
one of the possees searching for him.

From all indications Noble has spent  
a life of hardship since fleeing from  
Kentucky. He had been employed at  
the Mountain Hotel at Winslow, Ark.,  
having worked there just one week.  
He aroused suspicion Saturday night  
when he went to a village barber shop  
and had his head shaved, remarking  
that it was his custom to have his  
head shaved three times a year.

Governor Willson Tuesday issued a  
requisition on the Governor of Arkan-  
sas for the return to this state of  
Noble. The requisition was turned over  
to Rev. J. H. Hudson, Sheriff of  
Breathitt county. Sheriff Hudson left  
Tuesday night for Arkansas to bring  
Noble to Jackson.

**Do Ghosts Haunt Swamps?**

No, never. Its foolish to fear a fan-  
cied evil, when there are real and  
deadly perils to guard against in  
swamps and marshes, bayous, and  
lowlands. These are the malaria  
germs that cause ague, chills and  
fever, weakness, aches in the bones  
and muscles and may induce deadly  
typhoid. But Electric Bitters de-  
stroy and cast out these vicious  
germs from the blood. "Three bottles  
drove all the malaria from my sys-  
tem," wrote Wm. Fretwell, of Luca-  
ma, N. C., "and I've had fine health  
ever since." Use this safe, sure reme-  
dy only. 50c at Oberdorfer's.

**Colonel Krieger Resigns.**

Colonel Robert N. Krieger, of  
Louisville, Tuesday resigned as As-  
sistant Adjutant General of the State,  
which office he has held for the last  
three years. Col. Krieger will receive  
the appointment of Adjutant of the  
First Regiment and will make his  
home in Louisville.

**Beware of Ointments for Catarrh  
that Contain Mercury.**

as mercury will certainly destroy the  
sense of smell and completely de-  
range the whole system when enter-  
ing it through the mucous surfaces.  
Such articles should never be used  
except on prescriptions from reputa-  
ble physicians, as the damage they  
will do is ten fold to the good you can  
possibly derive from them. Hall's  
Catarrh Cure, manufactured by F. J.  
Cheney & Co., Toledo, O., contains  
no mercury, and is taken internally,  
acting directly upon the blood and  
mucous surfaces of the system. In

**Cantrill Wants Some Probing.**

Representative Campbell Cantrill  
began Tuesday a thorough investiga-  
tion of the public buildings of the  
country, with a view to determine  
their protection against fire and their  
facility for preserving public records.  
His subcommittee probably will travel  
extensively and may visit some of the  
public buildings in Kentucky.

Mr. Cantrill is receiving sensational  
information as to the danger to the  
lives of employees of public buildings  
through a lack of fire escapes and  
other protection against fire. He pro-  
poses to go through the public build-  
ings in Washington and make a person-  
al inspection and if conditions are as  
represented he will bring in drastic  
legislation of a remedial nature.

**Different.**

A young man is disgusted when he  
finds his sister doesn't know the name  
of the governor of the state, but when  
the sweet young thing in the next  
block discloses the fact that she  
doesn't know the state has a governor  
he goes down on his knees to her  
sweet femininity.

**IF YOU HAVE A SICKLY  
YOUNGSTER TRY THIS FREE**

The family with young children  
that is without sickness in the house  
now and then is rare, and so it is im-  
portant that the head of the house  
should know what to do in the little  
emergencies that arise. A child with  
a serious ailment needs a doctor, it is  
true, but in the majority of instances,  
as any doctor knows, the child suffers  
from some intestinal trouble, usually  
constipation.

There is no sense in giving it a pill  
or a remedy containing an opiate, nor  
is flushing of the bowels to be always  
recommended. Rather give it a small  
dose of a mild, gentle laxative tonic  
like Dr. Caldwell's Syrup Pepsin,  
which, by cleaning out the bowels and

strengthening the little stomach mus-  
cles, will immediately correct the trou-  
ble.

This is not alone our opinion but  
that of Mrs. N. H. Mead of Freeport,  
Kan., whose granddaughter has been  
taking it successfully and of Mrs. J.  
R. Whiting of Lena, Wis., who gives  
it to her children and takes it herself.  
It is sold in fifty cent and one dollar  
bottles at every drug store, but if you  
want to test it in your family before  
you buy it send your address to Dr.  
Caldwell and he will forward a trial  
bottle free of charge.
